

Affidavit

In executing this affidavit, I certify that I am not an unmarried minor, am not mentally incompetent, and am not a convict of any felony. Based on my personal knowledge of facts, matters, and things, I make affidavit to the following, to-wit:

I am the Plaintiff in the case of Rosenberg v. Coast Collection Agency, Inc., (CCA) Case No. 1:14-cv-00122-LG-JMR.

On April 1, 2014, I provided CCA a hyperlink to video of a meeting I had with a CCA owner. The link is <https://www.dropbox.com/l/Rw0EJJP2quKXwAqEf98Lkc?>. On April 22, 2014, I caused to be provided to CCA three hypertext links on a private worldwide web electronic storage provider to the following files:

It is a recording of a telephone conversation I had with an employee of Singing River Health Systems that was made on my work computer.

All the recordings I made were made with my smartphone and computer which I use to earn my livelihood. There is no recording of which the recordings I have provided CCA are segments. I am not aware of and have no control over any other recordings of meetings or conversations with CCA, Singing River Health System, Singing River Physicians, or McKeeson employees. I have no control over Mr. Wilens and he did not record any of my meetings or conversations with them on any other device.

If I am required to stop using my smart telephone and work computer, I will have to buy replacements and copy their information to the replacements. I estimate the cost of buying replacements to be between ^{\$3,000 \$4,000 ESR} ~~\$1,200~~ and ~~\$2,200~~, not counting any software I will have to replace.

Further Affiant sayeth not.
